SUSTAINABLE
CORPORATE GIFTING

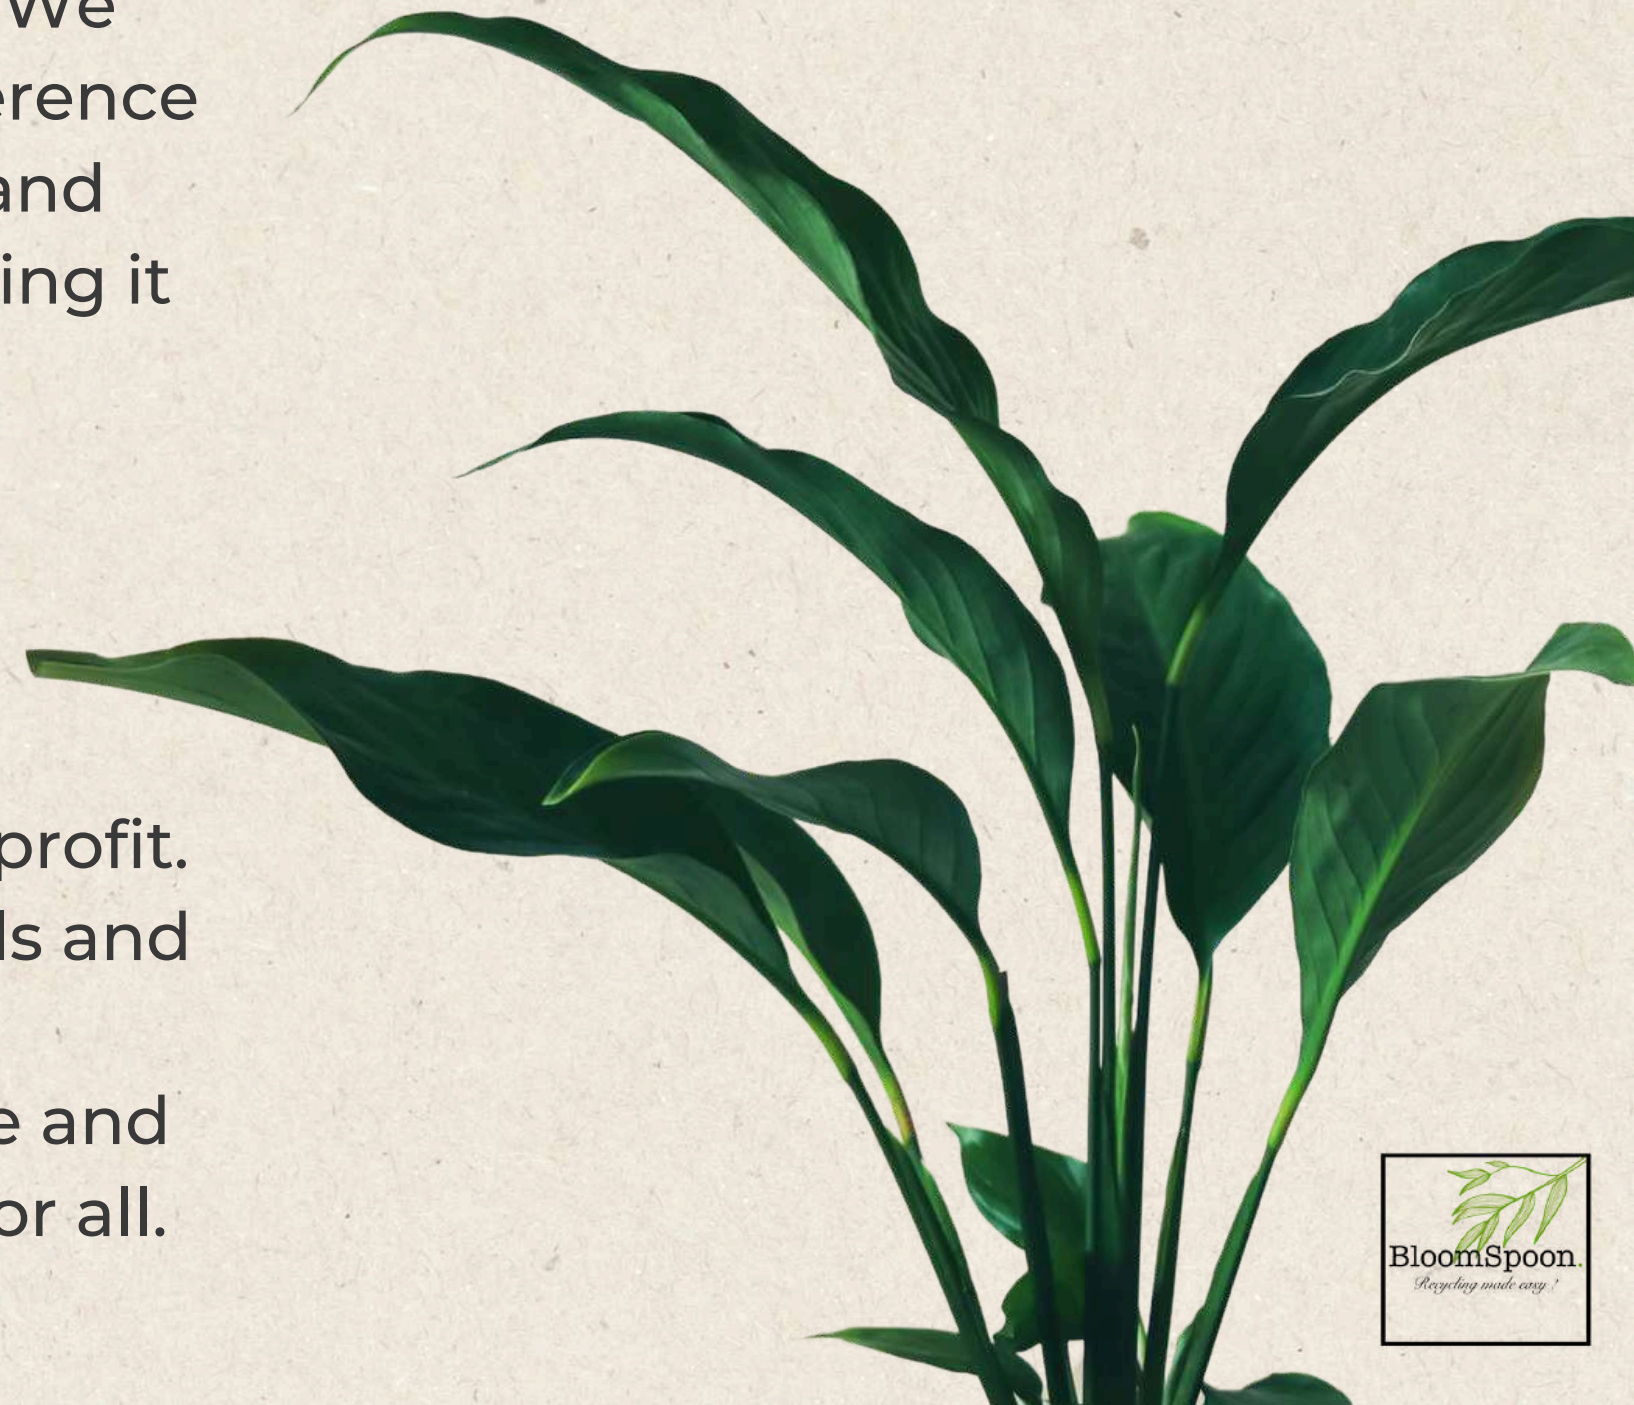

MEET BLOOMSPoon: YOUR PARTNER IN SUSTAINABILITY

At Bloomspoon, we're committed to reducing our reliance on single-use plastic and championing eco-friendly practices. We believe that even small actions can make a significant difference in preserving our planet's future. We have the knowledge and expertise to make a difference, but we need your help getting it out there.

PURPOSE DRIVEN

At the core of our brand is a commitment to purpose over profit. We're driven by a heartfelt mission: empowering individuals and communities towards a sustainable future. Through our innovative, eco-friendly products, we strive to reduce waste and ignite positive change, creating a brighter, greener world for all.

BULK ORDER DETAILS & POLICIES

- For customized orders, we recommend starting the process as early as possible.
- Our payment policy requires a 100% deposit of the total order upon confirmation.
- Pricing varies depending on customizations and order quantities.
- If you have a specific product or service in mind that isn't in our catalogue, please let us know your requirements. We are confident we can provide the products you need.
- We offer personalized gift boxes featuring any of our products, tailored to your specific preferences.

CUSTOMIZED LOGOS AND PACKAGING

At Bloomspoon, we offer the option to customize your order with your logo and packaging design. Please note that the manufacturing time and delivery schedule may vary based on your specific design requirements and shipping time. We work closely with you to ensure your customized order meets your expectations and deadlines.

TREE PLANTING

While we plant a tree for every order, for corporate orders, we calculate an appropriate number of trees to be planted, aiding in reforestation and combating climate change. Each company receives a certificate detailing the number, location and species of trees planted.

BLOOMSPOON SUPPORTS THE GLOBAL GOALS

1. Responsible Consumption and Production - BloomSpoon's products are made from sustainable materials which reduce waste and promote responsible consumption.

2. Climate Action - By using eco-friendly materials and reducing waste, BloomSpoon helps to reduce the carbon footprint of its products and promote climate action.

3. Life Below Water - We ensure that our products are not only eco-friendly but also free from harmful chemicals while reducing plastic waste and pollution, protecting marine life and preserving our precious water systems.

4. Life on Land: Promoting SDG 15, our plantable products combat deforestation and habitat loss with biodegradable materials, while educating and engaging customers in sustainable living to preserve terrestrial ecosystems.
